

Message from the CEO

Welcome to the dog days of summer! August is the time of year when we should try to take a little break to decompress from our jobs; rejuvenate our minds, bodies, and spirits; and enjoy some family time before revving up for school to start and jobs to kick into high gear for the fall and winter seasons. We should take a lesson from those European countries that virtually shut down for the month of August. But the question I always ask myself is, "How do they do that?!"

By the time you're reading this message, our inaugural Women's Sexual Health Course for NPs will have been completed. I am happy to report to you that the course was a huge success! With the encouragement of more than 150 satisfied attendees, we have already started planning for another Women's Sexual Health Course for NPs in 2015!

Gay Johnson

In this issue of the journal, we present the program guide for the 17th Annual NPWH Premier Women's Healthcare Conference, which will be held in Savannah, Georgia, on October 15-18, 2014. We continue to strive to bring you, as providers of women's healthcare, the most up-to-date, clinically relevant information possible. As you will see in the program guide, this conference promises to deliver all things women's health.

If you haven't already registered for the conference, please take a look at our offerings and make plans now to attend. You will be sure to gain the in-depth knowledge and specialized skills needed to provide high-quality healthcare to women of all ages. In addition, the conference provides you with a wonderful opportunity to network with your colleagues; where better to meet with colleagues than in beautiful Savannah?! While you're there, take a carriage ride through the lovely neighborhoods, participate in a ghost tour, and soak up all the hospitality that the South is known for.

We hope to see you at our conference in October. But for now, go grab that cool drink, relax in your chair, and enjoy this issue of *Women's Healthcare: A Clinical Journal for NPs*.

– Gay Johnson
Chief Executive Officer, NPWH

Welcome

The National Association of Nurse Practitioners in Women's Health (NPWH) is a dynamic professional membership organization focused on women's health care. As the health care landscape changes and evolves, NPWH continues to advocate for sound public policies that improve women's health and to support the professional development and lifelong learning of nurse practitioners, nurse midwives, and all other clinicians who provide care to women. Clinicians who attend the NPWH 17th Annual Clinical Conference gain the in-depth knowledge and specialized skills needed to provide high-quality health care to women of all ages.

Please join us in Savannah, Georgia, to learn about state-of-the-art developments in women's health, network with colleagues, and share our collective goal of quality health care for women.

Learning Objectives

At the conclusion of this conference, participants will understand current clinical trends, and use evidence-based research and national guidelines to:

1. Identify and address current hot topics in women's health

- based on new clinical practice guidelines from the CDC, ACOG, USPSTF, ASCCP, WHO, and OPA, including:
- a. New CDC selective practice recommendations for contraception
 - b. The annual exam, including Pap test and colposcopy updates, as well as adolescent care
 - c. New STD treatment guidelines
 - d. Cardiovascular update and hypertension in pregnancy
 - e. Alcohol screening and brief intervention
 - f. Millennial goals for women's health
2. Incorporate subspecialty updates into your practice, including those involving brain health, advanced dermatology, sleep disorders, nutrition/obesity, lower urinary tract symptoms, and pelvic floor disorders.
 3. Diagnose and manage barriers to desired fertility.
 4. Incorporate the ACNM Toolkit into prenatal care to promote normal birth.
 5. Understand Bright Pink Guidelines for BRCA Management.
 6. Counsel prenatal patients on diagnosis options with chromosomal abnormalities, pregnancy loss, long-term health implications from pregnancy complications, and medication use in pregnancy and lactation.
 7. Integrate the latest health-related technology and apps into your current practice to promote women's health.

Pre-Conference — Wednesday, October 15, 2014

7:15am – 8:00am

Registration/Continental Breakfast

8:00am – 12:00pm

Women's Health Promotion Throughout the Lifespan

3.5 CE 1.0 Rx

Mimi Guarneri, MD, FACC

This session will focus on an Integrative Holistic Medicine approach to disease prevention and chronic disease management, including nutrition, supplements, mind-body medicine, and spirituality.

12:00pm – 1:00pm

Lunch

1:00pm – 5:00pm

Let's Talk About Sex: Current Management of Women's Sexual Health

3.5 CE 1.0 Rx

Irwin Goldstein, MD

Julea Minton, MSN, NP-C

The lack of training and skills to deal with sexual health concerns is cited as a reason 74 percent of providers rely on their patients to initiate discussions about sexual health. This session will provide the essentials needed to understand, discuss, and manage sexual health problems in women. Basic concepts regarding the most up-to-date treatments options will be discussed for female sexual health concerns, including vulvodynia, hypoactive sexual desire disorder, arousal and orgasmic disorders, and persistent genital arousal disorder.

6:00pm – 8:00pm

Complimentary Dinner Symposium

1.5 CE

Day 1 — Thursday, October 16, 2014

7:00am – 8:00am

Registration/Continental Breakfast/Exhibits

8:00am – 8:30am

Welcome

Gay Johnson, CEO, NPWH

Susan Hoffstetter, PhD, WHNP-BC, FAANP, NPWH Board Chair

8:30am – 9:15am

Keynote Speaker – Using the Suite of CDC Family Planning Guidelines: MEC, SPR and QFP

Michael S. Policar, MD, MPH

0.6 CE 0.5 Rx

9:20am – 10:10am

Well Woman Health Care: A Collaborative Experience

Jeanne A. Conry, MD, PhD

0.8 CE

10:15am – 11:50am

Exhibits/Posters

1.0 CE

12:00pm – 2:00pm

Complimentary Lunch Symposium

1.5 CE

2:15pm – 2:30pm

Business Meeting

2:35pm – 3:25pm

STD Counseling: Clinical Pearls and New STD Treatment Guidelines

0.8 CE 0.8 Rx

Kimberly Workowski, MD

3:30pm – 3:50pm

NPWH/TEVA Inspiration in Women's Health Awards

3:55pm – 4:45pm

Making Your Brain Smarter

0.8 CE

Audette Rackley, MS, CCC/SLP

4:50pm – 5:40pm

The Angina Monologues – Update on New Ways to Detect and Prevent Heart Attacks in Women

0.8 CE 0.25 Rx

Megan McCarthy, MSN, NP-C, CVNP-BC

7:00pm – 9:00pm

Complimentary Dinner Symposium

1.5 CE

The National Association of Nurse Practitioners in Women's Health's mission is to ensure the provision of quality primary and specialty health care to women of all ages by women's health and women's health-focused nurse practitioners. Our mission includes protecting and promoting a woman's right to make her own choices regarding her health within the context of her personal, religious, cultural, and family beliefs.

2014 Planning Committee

Brooke Faight, MSN, WHNP-BC, IF, Chair

Carola Bruflat, MSN, RNC, WHNP-BC, FNP-BC

Aimee Chism-Holland, DNP, WHNP-BC, FNP-BC, RD

Theresa Everest, CDR, NC, USN, MSN, FNE, WHNP-BC

Nalo Hamilton, PhD, MSN, WHNP/ANP-BC

Susan Hoffstetter, PhD, WHNP-BC, FAANP

Debra Ilchak, DNP, RN, FNP-BC, CNE

Gay Johnson, BA, Chief Executive Officer, NPWH

Sue Kendig, JD, MSN, WHNP-BC, FAANP

Jamille Nagtalon-Ramos, MSN, WHNP-BC, IBCLC

Susan Rawlins, RN, MS, WHNP-BC

Mary Rubin, PhD, RNC, CRNP, FAANP

Day 2 — Friday, October 17, 2014

Each breakout session between 8:00am and 2:40pm is worth 1.25 CEs. You may choose one session for each time period.

7:00am – 8:00am

Registration/Continental Breakfast/Exhibits

8:00am – 9:15am

A. Office-Based Infertility

1.25 Rx

Jordan Vaughan, MSN, APN, WHNP-BC

Treatments for infertility have evolved greatly since their inception in the 1800s. Invasive and complicated procedures have fallen out of favor, with a movement toward evidence-based practice. With knowledge about the basic infertility workup and how to best manage women with ovulatory disorders, women's health providers can educate, counsel, and care for women in their reproductive years in order to optimize their fertility.

B. Promoting Normal Physiologic Childbirth: A Toolkit by ACNM

Lisa Kane Low, PhD, CNM, FACNM

In an effort to address the rising cesarean birth rates in the United States, the American College of Nurse-Midwives (ACNM) has developed a tool kit to promote physiologic childbirth. This session will outline the role of promoting physiologic childbirth in improving quality and promoting safety within the maternity care system.

C. Managing Breast and Ovarian Cancer Risk

0.25 Rx

Deborah Lindner, MD, FACOG

Appropriate identification, referral, and management of patients based on risk level can make a real change in breast and ovarian cancer risk.

D. Long Term Health Consequences of Pregnancy Complications

0.8 Rx

Jaye M. Shyken, MD

A discussion of pregnancy as a window of understanding regarding health problems in later life.

E. PODIUM PRESENTATIONS

Nurse Practitioners' and Certified Nurse Midwives' Cultural Competence and Contraceptive Recommendations to Women of Varying Race/Ethnicity and Socioeconomic Status

Carrie C. Murray, MSN, WHNP-BC, PhD Candidate, University of Colorado, College of Nursing, Aurora, Colorado

Triathlete Risk of Pelvic Floor Dysfunction, Pelvic Girdle Pain and the Female Athlete Triad

Sandi Tenfelde, PhD, RN, WHNP-BC, Assistant Professor and Director of the Women's Health Nurse Practitioner Program, Loyola University Chicago, Marcella Niehoff School of Nursing, Maywood, Illinois

Johnny Yi, MD, Senior Fellow in Female Pelvic Medicine and Reconstructive Surgery, Loyola University Chicago, Strich School of Medicine, Maywood, Illinois

Dina Tell, PhD, Post-Doctoral Fellow, Loyola University Chicago, Marcella Niehoff School of Nursing, Maywood, Illinois

Cynthia Brinca, MD, PhD, Associate Professor, Female Pelvic Medicine and Reconstructive Surgery, Loyola University Chicago, Strich School of Medicine, Maywood, Illinois

Colleen Fitzgerald, MD, MS, Associate Professor, Director Pelvic Pain Clinic, Loyola University Chicago, Strich School of Medicine, Maywood, Illinois

Postpartum Services Redesigned

Suzanne F. Foley, PhD, WHNP-BC, RN, Assistant Professor, Widener University, School of Nursing, Chester, Pennsylvania

Bioidentical Hormone Therapy: Knowledge, Beliefs, and Prescribing and Monitoring Habits of Women's Health Nurse Practitioners

Catherine Nutting, MSMS, DNP, FNP-C, ABAAHP, FAARFM, Spectra Wellness Solutions, Tampa, Florida

Elizabeth A. Kostas-Polston, PhD, APRN, WHNP-C, FAANP, Robert Wood Johnson Foundation Nurse Faculty Scholar, University of South Florida, Tampa, Florida

Versie Johnson-Mallard, PhD, ARNP, WHNP-BC, FAANP, Robert Wood Johnson Foundation Nurse Faculty Scholar, University of South Florida, Tampa, Florida

Ivy M. Alexander, PhD, APRN, ANP-C, FAAN, University of Connecticut, Storrs, Connecticut

9:25am – 10:40am

F. The NP Way: New Approaches to the Diagnosis and Management of Pelvic Floor Dysfunction

0.5 Rx

Helen Carcio, MS, MEd, ANP-BC

Pelvic floor dysfunction is now recognized as one of the major conditions that will affect women of all ages in the next ten years. Learn "cutting edge" clinical approaches to both the diagnosis and management of these conditions, which will help you augment your women's health practice.

G. Update on Prenatal Screening and Diagnosis

Sindhu K. Srinivas, MD, MSCE

This lecture will use clinical scenarios to summarize chromosomal microarray and cell free fetal DNA tests, review patient counseling tips as well as ethical implications of these tests.

H. Pregnancy Loss Counseling and Management

Carol Fulwiler Jones, MA, LMFT, LPC

This session addresses the medical, emotional, and relationship issues that accompany pregnancy loss. Solutions for managing these challenges will be explored.

I. CDC Guidelines for Implementing Screening and Brief Intervention for Risky Alcohol Use in Primary Care

Lela R. McKnight-Eily, PhD

This session will focus on the steps of new CDC guidelines, "Planning and Implementing Screening & Brief Intervention for Risky Alcohol Use: A Step-by-Step Guide for Primary Care Practices."

Day 2 — Friday, October 17, 2014

(continued)

Each breakout session between 8:00am and 2:40pm is worth 1.25 CEs. You may choose one session for each time period.

J. Mobile Apps for Women's Health Providers

Jamille Nagtalon-Ramos, MSN, WHNP-BC, IBCLC

In this session, we will discuss the utilization and demonstrate the use of select mobile applications geared toward both women's health providers and their patients. This session is designed for providers who have a basic understanding of mobile app technology.

10:45am – 11:55am

Lite Lunch in Exhibit Hall

12:00pm – 1:15pm

K. Lions, Tigers and Teenagers—Oh My! Tips for Providing Adolescent-Friendly Health Care Services

Alison Moriarty Daley, MSN, APRN, PNP-BC

This session will address the unique health care needs of adolescents. Strategies to enhance clinical services and clinical relationships with adolescents will be presented.

L. Hypertension in Pregnancy Update – New ACOG Guidelines

0.8 Rx

Sindhu K. Srinivas, MD, MSCE

This lecture will use a case-based format to discuss the diagnosis of and intrapartum and postpartum management of women with hypertensive disorders of pregnancy based on the recent ACOG task force recommendations.

M. Advanced Dermatology in Women

1.25 Rx

Melissa Joy Roberts, JD, MSN, FNP

This presentation will include information about dermatologic diseases such as bacterial infections, fungal infections, and zoonotic infections. A brief review of skin cancer will also be included.

N. Nutrition and Medical Management of Obesity

0.25 Rx

Mary Annette Hess, PhD, FNP-BC, CNS

The purpose of this seminar is to educate the participants on healthier lifestyles and behavioral modifications. This seminar will provide education and guidance to promote optimal health outcomes and disease prevention.

O. Global Women's Health: Approaching the 2015 Millennium Development Goals

0.25 Rx

Joan E. Edwards, PhD, RNC, CNS

MDGs are currently a major focus for the nations of the world. A brief history and foci of the goals will be discussed along with up-to-date status of Goal #5, maternal mortality. Recent strategies to reduce maternal mortality globally and nationally will be shared, including opportunities for personal involvement.

1:25pm – 2:40pm

P. Advanced Colposcopy Case Studies/Pap Update

0.25 Rx

Mary Rubin, RNC, PhD, CRNP, FAANP

This session will offer the opportunity to discuss cytologic

findings, view colposcopic images, review the histologic results, and discuss appropriate management.

Q. Taking Medications Safely While Breastfeeding

1.25 Rx

Joyce King, FNP, CNM, PhD, FACNM

All medications transfer into human milk to some degree. This presentation will concentrate on concepts that should be applied so that a mother can take needed medications, but also can continue to breastfeed her infant safely. Drugs that stimulate milk production will also be reviewed.

R. Now I Lay Me Down To Sleep: Treating Sleep Disorders Across the Lifespan

1.25 Rx

Nancy Nadolski, FNP-C, MSN, MEd

Currently, nearly 1 in 4 Americans occasionally has difficulty getting to sleep and staying asleep. And we all know that when the occasional "I didn't sleep well last night" turns into "I can't sleep," it can wreak havoc on the brain, the heart, and overall health and cognitive function.

S. New Medication for Postmenopausal Women

1.25 Rx

Anne Moore, DNP, APN, FAANP

This session explores various treatment strategies for management of menopausal symptoms. New therapies, as well as traditional options, will be discussed with regard to patient selection, dosing, and management of side effects.

T. What Do I Do Now? Common Ethical Dilemmas Faced in NP Practice

Sarah B. Freeman, PhD, APRN, FAANP

This workshop will present the data from a national NP survey on ethical dilemmas in advanced practice. This workshop will also identify and analyze the issues relevant to practice in today's healthcare system.

2:50pm – 3:40pm

Lower Urinary Tract Symptoms in Women

0.25 Rx

Tamara G. Bavendam, MD, MS

3:45pm – 4:35pm

Findings from the Contraceptive CHOICE Project—Might We Be on the Verge of Reducing Unintended Pregnancy?

Colleen McNicholas, DO, MSCI

4:40pm – 5:30pm

Perinatal Substance Use and Abuse

0.8 Rx

Jaye M. Shayken, MD

5:35pm – 5:50pm

Closing Remarks

7:00pm – 9:00pm

Complimentary Dinner Symposium

1.5 CE

Day 3 — Saturday, October 18, 2014

7:00am – 9:00am
Registration

7:00am – 8:45am
Complimentary Breakfast Symposium

Non-CE

9:00am – 12:00pm
WORKSHOPS

1. Ultrasound **3.0 CE**

This hands-on workshop will focus on GYN ultrasound of the non-gravid uterus and pelvis. A systematic review of gynecologic pathology found on sonography will be presented.

Limited to 30 registered attendees.

2. The Ins and Outs of Intrauterine Contraception **3.0 CE 0.5 Rx**

Suzanne Reiter, MM, MSN, WHNP-BC, FAANP
Carolyn M. Sutton, MS, WHNP-BC, FAANP

During this hands-on workshop, the three available IUDs are reviewed. Using US MEC criteria, potential candidates for each form of intrauterine contraception are identified. Using models, placement techniques are demonstrated with ample time for supervised hands-on practice to enhance success and avoid complications.

Limited to 50 registered attendees.

3. Office Gynecology Procedures: Endometrial Biopsy, Vulvar Biopsy, Endocervical Polypectomy, & Condyloma Treatment **3.0 CE 1.5 Rx**

Aimee Chism Holland, DNP, WHNP-BC, FNP-BC, RD

Participants will be educated in this session about the safe and accurate steps specific to performing four different office gynecology procedures. Simulated models will be provided for participants to practice each of the following skills: endometrial biopsy, vulvar biopsy, endocervical polypectomy, and condyloma accuminata treatment with trichloroacetic acid.

Limited to 50 registered attendees.

4. Nexplanon® Training **Non-CEx**

During the clinical program for Nexplanon® (etonogestrel implant), you will receive hands-on training for insertion and removal procedures, as well as learn implant localization techniques. Completion of this course will allow you to order the product from authorized distributors. This session, which is authorized by Merck, is not accredited for continuing education credit. The training is open only to advanced practice clinicians with furnishing numbers or prescribing privileges in their state. It is Merck's policy to verify all clinicians' practice, license, and eligibility information in advance of training. Merck will contact you directly if there is a problem. Participants are expected to attend the entire training session, which is approximately 3 hours in duration. Certificates of attendance will not be issued for persons who arrive late or leave early.

Limited to 30 registered attendees.

5. Reproductive Healthcare Coding Workshop **3.0 CE**

Michael S. Policar, MD, MPH

Accurate CPT and ICD coding is critical for women's health care clinicians, not only for being paid appropriately, but also to meet compliance expectations of payers. This session will begin with the fundamentals of E/M and CPT coding for office visits, followed by a case study format to provide examples of the most common coding dilemmas faced by clinicians. Special emphasis will be placed on coding considerations for services provided by nurse practitioners, CNMs and physician assistants, as well as accurate coding for common office surgical procedures. The differences between ICD-9 and ICD-10 will be reviewed and office coding work aids will be provided.

6. Clinical Breast Examination **3.0 CE**

This hands-on workshop will focus on the critical elements of the Clinical Breast Examination to maximize the possibility of discovering abnormal tissue if present. Ample time is provided for active practice on models with personalized feedback to improve skills.

Limited to 30 registered attendees.

Non-Member/Inactive <i>(price does not include membership)</i>	\$320
Non-Member/Inactive <i>(price includes 1-year NPWH membership)</i>	\$370

Your registration fees include all eligible meal functions, a CE certificate of Attendance and access to the NPWH Online CE Center for the recorded Pre-Conference and Main Conference sessions.

WORKSHOP FEES

Conference Participant Fee	\$50
Student Fee	\$40

WORKSHOP AND BREAKOUT SESSION REGISTRATION

Workshop and breakout session assignments are made on a first-come, first-served basis, and are subject to change and could be closed due to room capacity. Workshops are open to Main Conference attendees—those registered for both Thursday and Friday sessions—only. Workshops 1, 2, 3, and 6 incur an additional fee. Workshops 4 and 5 are included in Main Conference registration. In order to ensure that you are able to attend those sessions that interest you most, we highly recommend that you register as early as possible.

IMPORTANT MESSAGE REGARDING SYMPOSIA ATTENDANCE

If you have signed up to attend any breakfast, lunch, and/or dinner symposia, but find that you cannot attend for any reason, please contact the NPWH Office in a timely manner to cancel your reservation.

HOW TO GET EMPLOYER SUPPORT

Conference attendees may consider obtaining employer support in covering all or part of the conference fees. This event is an ideal opportunity to stay up-to-date in the field of women's health, gain Continuing Education credit while doing so, and network with women's healthcare practitioners

from all over the country. The knowledge and skills gained at the conference can be applied to patient care and to the organization of a practice or healthcare facility, which not only benefits the attendee but the employer as well.

METHOD OF PAYMENT FOR REGISTRATION FEE

Payment can be made by U.S. check or money order (payable to NPWH Conference) or credit card—MasterCard, VISA, Discover, or American Express only. A \$25 fee is charged for any returned check or declined credit card.

REFUNDS

A \$50 processing fee will be charged for cancellations received in writing by **September 13, 2014**. After September 13, 2014, only 50% of the fee will be refunded and “no-shows” will not receive a refund. On-site cancellations of workshop are subject to 50% refund of workshop fee.

AMERICANS WITH DISABILITIES ACT/DIETARY RESTRICTIONS

NPWH fully complies with the legal requirements of the Americans with Disabilities Act and the rules and regulations thereof. If you have any dietary restrictions and will be attending any of the meal functions, please let us know as soon as possible. NPWH will work with you to make sure your needs are met. If any participant is in need of special accommodations, please contact Vanice Dunn at NPWH: 202-543-9693, ext 1.

EQUAL OPPORTUNITY

Events and activities approved by NPWH are available without regard to a participant's race, color, sex, national origin, disability, or age, as provided by law and in accordance with NPWH's respect for personal dignity.

___ 5 Reproductive Healthcare Coding Workshop

___ 6 Clinical Breast Examination (Limited to 30 registered attendees)

Hotel Reservations

The official hotel of the 17th Annual Conference is The Westin Savannah Harbor, 1 Resort Drive, Savannah, GA 31421. The discounted conference daily room rate is \$219 plus applicable taxes. You can either call 800-228-3000 and mention the group NPWH or the National Association of Nurse Practitioners in Women's Health to receive the discount rate, or you can book online via <https://www.starwoodmeeting.com/StarGroupsWeb/res?id=1304193600&key=A5671>. Additional booking information can be found at www.npwh.org. **The cut-off date for discounted rates is September 12, 2014.**

IMPORTANT HOTEL CANCELLATION INFORMATION

For each reservation cancelled after **September 5, 2014**, a non-refundable full night's room rate, plus applicable taxes, will be charged to the credit card on file. Guests who check out early (prior to the reserved check-out date) will be assessed one full night's room charge, plus applicable taxes.

Parking at the hotel is \$18 per day (plus tax) for self-parking and \$23 per day (plus tax) for valet parking.

Ground Transportation

K Shuttle is available to transport you from the airport to the hotel. This service must be pre-arranged by visiting <http://www.kshuttle.com/> or by calling 877-243-2050. The cost for this service is \$20 one way or \$30 round trip.

You can take a cab from the airport to the hotel for approximately \$35 per trip, tip not included. The cab ride will take approximately 25-30 minutes from the airport to the hotel, dependent upon traffic.

Climate and Wardrobe Considerations

Business casual is the accepted attire during conference activities. Sweaters and light jackets are recommended for cool meeting rooms and evenings.

For More Information

Contact Carol Wiley at NPWH: 202-543-9693, ext.4
